*Locally Produced **ORGANIC** Fruits and Vegetables  
Free-Range Beef-Pork-Chicken-Elk-Buffalo  
Wild-Caught Seafood, Breads and Pastries*

Two centuries ago,  
when the first courageous white men settled the  
rugged mountains of Newton County, every  
farm was an old-fashioned organic farm. Now,  
the Arkansas House-Boardwalk Café brings  
back that time of purity and goodness featuring  
food produced by local organic farmers.
